

chrome

The professional scanner for everyone

Simply delivers first class images

Compact, fast, productive and simple: working with the *chrome* A2 scanner is exactly as you'd expect.

Top scanning technology attractively packaged and very easy to operate.

The *chrome* offers: maximum book protection (up to 100 mm book thickness), very good image quality (300 to 600 dpi) and a sufficiently high level of productivity thanks to the manual comfort book cradle for careful handling of books. Mirroring and reflections are avoided, the illumination is very homogeneous and the image quality consistently high.

It can be moved very easily thanks to its compact design and is ideal for flexible use in the open stacks section. The user-friendly software and the large touch panel make the *chrome* scanner something nobody would want to miss.

Product advantages

- compact design
- high productivity
- simple operation
- highest image quality (300 to 600 dpi)
- zeta software with large 21,5" touch panel
- preview function for reliable results
- auto focus
- high depth of focus up to 50 mm
- homogeneous, shadow-free illumination for excellent images
- output data in all common file formats
- manual comfort book cradle
- multilingual user interface
- flexible interfaces for almost any environment
- remote maintenance and remote administration
- energy efficiency – compliant with Energy Star

Simply excellent results

A2+ scanning for everyone with the *chrome*

Technical data	chrome
Scan Area	635 x 460 mm (> DIN A2)
Scan mode	Color
True color processing	42 Bit color output 24 Bit color 14 Bit grey scale output 8 Bit grey scale 1 Bit b/w output 1 Bit b/w
Maximum resolution	300 - 600 ppi
Scan speed	3,8 sec / 400 ppi
Depth of focus	approx. 50 mm
Auto focus	yes
User software	zeta Software Perfect Bok: 3D scan technology for perfect book curve correction
Software interface	multi-touch user interface, interactive and intuitive
Hard disk	SSD
Operating system	WIN 10 IoT LTSB (embedded version)
Book cradle	manual comfort book cradle
Working mode	manual
Maximum book thickness	100 mm
Scanner interface	Gig E
Data Output	TIFF, Multipage TIFF, PDF, Multipage PDF, JPEG, PNG, PDF, PDF/A. Optional: iHQC, searchable PDF
Monitor	21.5", multi-touch technology, Full HD display resolution (1920 x 1080) Data output: 2 USB3 outputs
Dimensions (w x d x h) including panel PC	1144 x 788 x 1170 mm
Footprint	1080 x 630 mm
Weight	90 kg
Power supply	110-230 V, 50/60 Hz, 1,1-2,4 A
